*Letting the light in is the only way to escape true darkness*

*Asserting your positions shouldn't prevent seeing other points of view*

*Calming people down is more helpful than trying to work them up*

*Holding onto anger will prevent you from catching happiness*

*Looking for the good in people is the best way to show you care about them*

*You will never be perfect but that shouldn't stop you from seeking perfection*

*Nudging people in the right direction is fine, but don't push them off a cliff*

*Recognizing failures is the first step to achieving success*

*At times the easiest solution can solve the most difficult problem*

*Coping with a loss is easier if you focus on what you have gained*

*Escaping reality is fine so long as you know how to find your way back*

*Speaking your mind is only helpful if you find a person who wants to listen*

*Every step you take on the right path prevents you from getting lost*

*Don't allow bad decisions in the past stand in the way of a wonderful future*

*Looking behind you will always cause you to question your decisions*

*Anyone who can't make you laugh shouldn't be able to make you cry*

*Know that life sometimes will be hard but will also teach you to take it easy*
