

LIFE LESSONS FOR QUINN MARY MATTES

Questioning some answers is just as helpful as answering all the questions

Uniting people is always better than dividing them

Include a hug or a kiss every time you thank mom and dad

Nothing is easier than making the people we love laugh

Nothing is harder than seeing people we love cry

Mending fences is always better than burning bridges

As long as you have faith in other people they will always have faith in you

Remember the past but make sure it doesn't interfere with planning for the future

Yesterday's failures will eventually lead to tomorrow's successes

May every path you follow lead you to new and exciting things

Any time someone says you can't do something prove to them you can

Times that are good should be shared with the people you love

Times that are bad should never get in the way of your happiness

Every time you smile or laugh other will people smile and laugh with you

Simple life experiences will always teach us the greatest life lessons
